To Whom It May Concern,

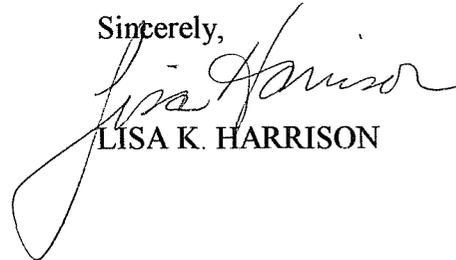

Case No. 2005-00472

Recently I discovered in the News Enterprise edition dated December 29, 2005, that KU planned to construct an Electric Transmission Line. From indications on the map provided in the News Enterprise, I believe this Electric Transmission Line will cross my property in Hardin and Meade county.

I am requesting that a public hearing be conducted on this matter. I request that two public hearings take place; one in Hardin and one in Meade County.

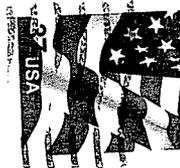

I can be reached at 270-828-2361. Your consideration in this matter is appreciated.

Sincerely,

LISA K. HARRISON
